

Parent-Teen Internet Safety Contract

1. I will never give out personal information to anyone online, including but not limited to:

- my full name, or anyone else's
- my address, or anyone else's
- my passwords, or anyone else's
- my phone number, or anyone else's

I will always be polite when I'm online, I will treat people with the respect. If I am treated unkindly, I will not reciprocate in the same manner.

I will never personally meet anyone I have met online, and will tell my parents if someone asks me to do so .

I will never call anyone I have met online without the permission of my parents.

I will not go surfing in areas that are not appropriate including, but not limited to websites:

- that are of a sexual nature
- that promote hate
- that are offensive in language
- that are of a violent nature

I will follow these rules whether I am at home, at school, or at a friend's home. If my friend is not following these rules, I will leave.

I will not purchase anything online without permission from my parents.

I will not post a picture of a person online without permission of that person.

I will not post a picture of myself online without my parent's permission.

I will not say anything mean or disrespectful about another person online.

If I do not follow these rules I expect that (write in consequences for breaking rules):

Teen Signature: _____
